

# No Fees Ever for Critical Access Hospitals and Rural Health Clinics

Our goal at CORHIO (a Contexture organization) is to create a connection to improve lives no matter where patients live or receive care. We understand the vital role rural providers play in Colorado.

Our commitment to the rural community is to provide our Health Information Exchange services at no cost to increase continuity of care. This means all our **services will be free forever** for all Critical Access Hospitals and Rural Health Clinics in Colorado starting Jan. 1, 2023.

**If you're a current participant – all your fees will be waived starting January 2023. Contact us to add additional services at no cost.**

**If you're a new participant – all your fees will be waived. Contact us to start working together.**

## Benefits of Health Information Exchange

- Cost-efficient data exchange with physicians and other clinicians
- Streamlined access to patient history information
- Reduced costs from faxing and mailing paper files
- Improved quality and coordination of patient care
